ACADEMIC DETAILS

B.Tech – Computer Science & Engineering (CSE)

2023–2027

BIET, Lucknow

CGPA: 6.55/10.0

Class XII – UP Board

2023

Shri Gandhi Smarak I.C., Hata, Kushinagar

67.20%

Class X – UP Board

2021

MSDS UMV, Gopalpur Vircha, Hata, Kushinagar

73.33%

INTERNSHIP

Summer Intern

Summer 2026

Cyvanta Tech Quantum (OPC) Pvt. Ltd., Lucknow

- Gained practical exposure to software development through hands-on training, project-based learning and technical activities.
- Strengthened programming, problem-solving and development skills through practical implementation and technical mentorship.

PROJECTS

Shramik-Seva Portal

Live Project

- Developed a full-stack web portal for worker information, service management and document-based workflows.
- Implemented user authentication, worker information management, document uploads and responsive web functionality.
- **Technologies:** React, JavaScript, Supabase, Vite.

Used Car Price Prediction

Live Project

- Developed a machine learning application for predicting used-car prices from vehicle-related input features.
- Integrated a trained machine learning model with a FastAPI REST API backend and React/Vite frontend for real-time predictions.
- **Technologies:** Machine Learning, FastAPI, REST APIs, React, Vite.

AWARDS & ACHIEVEMENTS

- Completed the **Summer Internship Program 2026** at Cyvanta Tech Quantum (OPC) Pvt. Ltd.
- Completed a **7-Day AI Class** conducted by Angels Foundation in association with Digital RankUp.

POSITION OF RESPONSIBILITY

- Contributed as a **B.Tech CSE project team member**, participating in academic software development and project-based technical activities.

EXTRACURRICULAR ACTIVITIES

- Participated in technical learning activities related to software development, artificial intelligence and full-stack web development.
- Built practical software projects to strengthen programming, problem-solving and development skills.

TECHNICAL SKILLS

Programming Languages: Java, JavaScript, SQL

Frameworks & Libraries: Spring Boot, React, FastAPI

Web Technologies: HTML5, CSS3, REST APIs

Database: SQL, Supabase

Developer Tools: Git, GitHub, VS Code, IntelliJ IDEA, Postman

Core Concepts: Object-Oriented Programming (OOP), Data Structures & Algorithms, Full Stack Development

CAREER INTERESTS

Software Engineer, Junior Java Developer, Java Software Engineer, Java Web Developer, Full Stack Developer
